DOMINION ENERGY ASKS THE PUCO FOR A 30 PERCENT RATE INCREASE OCC SAYS 'NOT SO FAST'

Make Your Voice Heard at the PUCO

Dominion Energy is asking the Public Utilities Commission of Ohio (PUCO) for a 30% hike in its charges for natural gas distribution. The increase will cost a typical residential Dominion consumer more than \$100 a year.

The Ohio Consumers' Counsel (OCC) says the utility is placing an even larger financial burden on Ohioans who are already facing financial difficulties with higher energy prices and inflation.

Experts at OCC are analyzing Dominion's proposal. We are giving Dominion's nearly 1.2 million residential consumers a strong voice for affordable and safe natural gas service in the case. You too can get involved, by making your voice heard at the PUCO.

Your comments make a difference.

Three Ways to Make Your Voice Heard at the PUCO
